Request to Republish the Subject Patent Application

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313_1450

Sir:

This is a petition requesting that the subject application be republished with the content matching the application content, as deposited.

It is noted that the subject application was published as document number: US US 20070219636 A1 on September 20, 2007, but the content there is not identical to the content of the application as deposited. For example, the Patent Office's attention is directed to the claims section in which the published application has 26 claims, whereas the filed application has 62 claims.

It is respectfully requested that the application be republished with the content of the application as filed with the USPTO.

No fees is believed to be due as this is an error on part of the US Patent Office. However, in the event that additional extensions of time are necessary to allow consideration of this paper, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required there for are hereby authorized to be charged to Deposit Account No.: 20-0674.

The undersigned representative may be contacted at 707.356.4172 if there are any questions or additional clarification is required.

Respectfully submitted,
/Narendra R Thappeta/
